

Hello Everyone,

As we move into Fall I hope everyone across Trinity County is doing well. The forecasters are saying next week we may see some cooler temperatures, let's hope they're right. Now let's talk about activities going on around the County.

Trinity County Budget... The Trinity County Commissioner's Court adopted the FY 2020 County Budget Tuesday September 24th. I'm happy to say that we are planning some great projects to benefit the county this coming year. As we move into the new fiscal year I will keep you all abreast of the progress of those projects as they materialize. I want everyone to know that the Trinity County Commissioner's Court makes every effort to spend your tax dollars wisely.

Economic Development and Growth Throughout Trinity County... As you move around the County I'm sure you have noticed new homes being built from Apple Springs to Sebastopol. This is great to see but something I want to see in addition to the homes being built is businesses being built as well. There has been some activity in Groveton and Trinity but I want to see more. If any of you have ideas of how to bring new business to Trinity County please come by and visit with me.

Holiday Season Approaching... It's that time of year. I have been approached by the Groveton Community Association about facilitating some activities on the Courthouse lawn as well as decorating the Courthouse for Christmas. I love seeing the community getting involved with their Courthouse. I would encourage anyone that has ideas of how to bring the community together from one end of the County to the other please let me know and let's act on it instead of just talking about it.

I leave you with this quote from John F. Kennedy, "Efforts and courage are not enough without purpose and direction."

God Bless Trinity County and all who live here.  
Trinity County Judge  
Doug Page
