

Hello Everyone,

Here we are in July and instead of talking about the extreme heat, the question being ask is, how much rain have you gotten. A gentle reminder that a higher power is in control and we are just along for the ride. Now for a little about what is happening around Trinity County...

Farmer's Market... The Farmer's Market is in full swing and is set on a regular schedule now. It will be on the first and third Saturdays of each month during the growing season. The last couple of times we have had the market vendor participation has been relatively good. I would encourage everyone to come out and enjoy the fellowship and take home some fresh vegetables.

Hospital Status in Trinity... I recently visited with the Chairman of the Hospital Board about the status of the hospital and if any headway had been made on reopening. The Board is currently in discussions with a healthcare provider. As to the particulars, there is still a lot of issues to be worked out. I know everyone, especially in the Trinity area, wants to see the hospital reopened as do I. I hesitate to give much information as I do not want to hinder or slow the progress that has been made. I know it is difficult but I would ask that you all be patient as the details are worked out. If I receive any additional information I will most definitely pass it along.

Fourth of July Festivities... This past Wednesday our great Nation celebrated Independence Day. There were a lot of activities around the County. Cathey and I participated in the annual event put on by the Trinity County Chamber of Commerce at the County Park. There were all kinds of fun activities as well as live music and of course the fireworks display at dusk. The weather could not have been more perfect and the fellowship was also great. For a great evening celebrating our Nation's birthday plan on coming next year.

I leave you with these encouraging words about our Nation, A powerful country made a strong history with its courage and determination.

Until next time,  
God Bless  
Trinity County Judge  
Doug Page
