TEXAS SALES AND USE TAX EXEMPTION CERTIFICATE

I, the purchaser named above, claim an exemption from payment of sales and use tax for the purchase of the items on the attached order or invoice. According to Texas State Comptroller Ruling No.3.322 Any special District, County, City or other subdivisions are exempt from tax - Not required to have a permit.

I understand that it is a criminal offense to give an exemption certificate to the seller for taxable items that I know, at the time of purchase, will be used in a manner other than that expressed in this certificate and, depending on the amount of tax evaded, the offense may range from a Class C Misdemeanor to a Felony of the second degree.
